Patents 1 - 10 on computerized budg

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)[APPLICATION] Method and system of cost variance analysis

US Pat. 10507409 - Filed Mar 13, 2003

In this traditional variance analysis the manager is expected to explain why the variances occurred, ... Subtracting actual less budget, gives the variance. ...

System and method for project management and assessment

US Pat. 5907490 - Filed Jun 10, 1997 - Electronic Data Systems Corporation

Thus, without EV information, a project manager might believe that the project, while slightly over budget, is at least on time. If an analysis is conducted ...

Task-based classification and analysis system

US Pat. 6073108 - Filed Jun 21, 1996 - Paul, Hastings, Janofsky & Walker

The video display 36 also includes a project budget display window including a ... said task-based budget analysis software module generates variance report ...

Project management system with automated schedule and cost integration

US Pat. 5381332 - Filed Dec 9, 1991 - Motorola, Inc.

... uniquely utilized by a performance measurement tool puted for variance analysis.
... Those skilled in tion dates and a budget. In addition, milestones ...

Method for monitoring advanced separation and/or ion exchange processes

US Pat. 6332110 - Filed Dec 17, 1998 - PerLorica, Inc.

... ers with profit and loss or budget responsibility to effectively track the cost of operation ... the data computation and analysis, and the web server. ...

Method for allocating lot priority by ranking lots as a function of budget ...

US Pat. 6353769 - Filed Mar 22, 1999 - Taiwan Semiconductor Manufacturing Company

BT (Budget Time) according to Required Date of lot 40 CtD parameters of (X,P), the analysis of delivery and variance of the whole line is made easily. ...

Task-based classification and analysis system

US Pat. 6289317 - Filed Mar 9, 2000 - Paul Hastings, Janofsky & Walker

The video display 36 also includes a project budget display window including ... said task-based budget analysis software module generates a variance report ...

Computer-based surgical services management system

US Pat. 5842173 - Filed May 19, 1997

An article by M. Choy entitled "Implementing a Computerized Operating Room ... to more accurately estimate the variance of surgical procedure times. ...

Method for designing and making photolithographic reticle, reticle, and ...

US Pat. 6238824 - Filed Aug 31, 1999 - Micron Technology, Inc.

1-6, the correction areas are inserted before the alignment budget borders are inserted. According to the present invention, the insertions of these areas ...

Computer system for financial analyses and reporting

US Pat. 4989141 - Filed Jun 1, 1987 - Corporate Class Software

In addition to financial and management reporting and analysis, ... For example, the user could request: Schedule = Sales Budget Entity = US, ...
